	Temperament was exceptional and a credit to the vendor! One steer was slightly nervous in the yards during the drafting process but settled quickly and was very good to handle throughout the rest of the process					
Handled With	Bikes , On foot					
Assessor Comments	Buyers a quality line of Murray Grey sired steers averaging 389kg at time of assessment. These cattle have plenty of shape and bone, and should continue to grow out to make well finished heavyweight cattle for most grassfed markets being NG/NA
