Well educated, inquisitive & placid to handle with 6 getting fidgety when confined in race or weigh box. The heifers settled quickly when back into back into the mob. As seen in the videos they are calm & inquisitive when walking among them for photos.

Assessor Comments: 84 very good quality vendor bred HGP free #4 heifers 8-11 months by Banquet Angus Bulls out of females bred from top Rondel poll or scur bulls. Bred from a great herd of large frame Droughtmaster & Droughtmaster cross cows. No heifers from the group have been retained - tops of the drop, front paddock heifers suitable to retain as breeders - top quality. A pleasure to handle. Good clean coated and with a large majority of polls.
