Quiet: 25 head Slightly Stirry: 24 head	Quiet: 29 head Slightly Stirry: 20 head	Temperament not assessed in Paddock

The slightly stirry heifers in the crush did run away when released but settled once in the mob. In the yards they have a large flight zone & move quickly around the yards, Do settle when given time but slight movements did unsettle them. With good stock handling practices heifers did flow through force & round yard.
