Assessor Comments	Buyers on offer are 19 Angus x Angus heifers that present in forward store condition and will continue to excel given the right feed regime. These heifers are all sired by Stud Booramooka bulls out of large framed Booramooka and Texas angus blood cows. A great opportunity to secure some very well-bred heifers that would be ideal to join as future breeders or alternatively to grow out to feeder or kill weights. Buyers note 4 heifers have warts but not detrimental to the animal.
