Good quiet mob of Steers that are a pleasure to handle.

Handled With	Bikes , Dogs , Vehicles
Assessor Comments	A handy line of steers that are quiet to handle, plenty of frame and compensatory weight gain available on this lot. Will go on to be ideal feeders or grass fatteners in a blink of an eye. Steers with genetics from Waitara, Bongongo, Hillview and Dalwhinnie Angus sires. Quality showing through in these cattle. Lead draft of steers, weighed at assessment as 405kg plus. Happy to load a comfortable number on 2 decks if needed. Well bred cattle that will perform.
