Handled With	Bikes , On foot , Vehicles
Assessor Comments	A first class line of vendor bred Angus heifers, first time in many years that the first draft of "Allawah" heifers has been offered for sale. A great opportunity to purchase quality breeders to establish new herd or would be equally valued as addition to existing breeding herd. Heifers have been scanned empty on the 25.10.24, by local contractor Nic White, for buyer confidence. Approximately six heifers with minor warts.
