Assessor Comments	On offer is an outstanding line of 82 Angus steers. Steers are 7-9 months old and are Te Mania Blood. Steers were yard weaned 2 weeks ago. During the weaning process they were routinely run through the yards. The benefits can be seen in their handling and temperament. They are very quiet. These young steers stand on plenty of bone, are cleaning up in the coat and starting to do post weaning. The “Glenarvon” cattle are renowned performers with buyers returning to purchase them. Please not the vendor has another 77 older steers offered in the same sale. A great opportunity to put a large run of one-mark steers together.
