Assessor Comments	On offer is a very good line of 77 Angus steers. Steers are 11-12 months old and Te Mania Blood. Yard weaned back in March, these steers have been performing well and present in fresh forward condition. Steers have been regularly handled which is reflected in their quiet temperament. Weighed in a tight range to average 299kg at delivery these steers are the perfect article to background for the feedlot or could be grown out on grass to kill weights. Please note the vendor has another 82 younger steers offered in the same sale. A great opportunity to put a large run of one-mark steers together.
