	Generally quite good to handle throughout the assessment in a good handling facility. Heifers flowed freely and were assessed through a weighbox.		

Handled With	Bikes , Dogs , Vehicles
Notable Traits	Traits 3 Head White patch running forward of the navel
Assessor Comments	Nice line of vendor bred females NSM and presenting in fresh mainly forward store condition. Heifers show good frame and are bred from Genuine medium to larger framed females with excellent genetics used in herd. Weighed into a tight weight group of 270-325kg at assessment with the lead weight group(46 head) also on offer totalling 149 heifers on offer in todays sale off this property. Vendor also offering another 38 heifers on another farm.Any off types were removed post weighing to give a nice line of 103 females. If shown the opportunity heifers will respond well to better nutrition and be an ideal article to background to heavier weights or alternatively class up further and retain to join. Approx 15% exhibit some degree of wart.Please call for further information.
