Assessor Comments	A very neat mob of young Angus steers. No expense has been spared in breeding these steers with the majority being sired by industry leading AI sires, such as Millah Murrah Rembrandt R48 and Quixote Q96 as well as Tehama Testament. A regretful sale as these steers have been weaned earlier than normal and offered for sale due to the tough season that has been experienced in sw vic this year. Normally these steers are grown out to feeder weights and are highly sought after by feedlots and bullock finishers. These steers come with the highest recommendation, every animal health protocol is done and they are very quiet steers that are a pleasure to handle. Please note vendor has two other lots in todays sale totalling 104 head.
