| Assessor Comments      | Good line of vendor bred Feeder Steers with majority in tight weight range, showing good shape and depth of body, these steers are performing well on good feed and would suit to go on in feedlot or grass to heavy export weights and will not disappoint                                                                                                                                  |
