Assessor Comments	Three 5-year-old NSM Hereford Cows with their 3rd calf at foot. These cows were purchased as PTIC heifers in 2022 on Auctions Plus out of the Bylong Valley. Cows are milking well with sappy July drop calves on them. Calves were sired by a Dalwhinnie Angus bull. Cows are only being sold as the vendor currently has two joining and is returning to a single joining. A great opportunity for someone starting out or to top up your existing herd with some quality females entering the most productive years of their lives. The vendor also has another lot of 7x7 Angus cows and calves which are the same age in the sale. Please note that 1 cow was dehorned at assessment.
