Assessor Comments	On offer are 26 quality Angus Heifers PTIC to Bongongo R787 running from 28th March to 23rd May 2024. With over a decade of 100% Bongongo Angus Bloodlines these heifers present an excellent opportunity to add quality genetic bloodlines to any existing or new angus program. Due to calve early January 2025, these heifers stand up very well to calve down and are very quiet cattle to handle through the yards.
