Assessor Comments	A high quality line of 21 x 22 NSM Hereford Cows with Black Baldy Calves at foot. A great opportunity to purchase large framed deep bodied Hereford females with fresh Aug/ Sep drop Bongongo Angus sired calves at foot. A lovely line of cows to breed soft easy doing calves with potential of hybrid vigour. Purchased from Wooling Pastoral at Crookwell the cows show great length and depth of body. The calves are largely in fresh condition, to be expected at their age. There is a set of twins who are a little lighter. Please note: one calf is blind, she is in fresh condition. This cow and calf unit will be offered at a \$250 unit discount from the successful bid price. The units are being offered strictly due to a change to straight Angus cows. They have all successfully reared calves annually and are proven females. Please call for more information.
