Assessor Comments	A nice small line of 8 year old Ko blood Cows and Calves. A line of cows that would suit a trade job given their age. The cows are ready to go forward given good nutrition and favourable spring - summer conditions. Cows are doing a good job on their ten - fourteen week old calves. Please note; three cows have lost two teeth and two cows have small patches of white on their udders, one cow was slightly stirry when mouthed.
