|                               | Cows were well behaved and easy to draft off their calves in the awkward 'ex dairy' yards. All led up the race well and were good in the crush, some of these cows are very long, & had to have a bit of pressure put on them to squeeze on to the scales, non stirred up from this. In the holding paddock they had a bigger flight zone, but still blocked up along a fence line |
