Assessor Comments	Extremely well bred 2nd cross lambs that can be finished as trade or export lambs. Ex large frame ewes by High Index Poll Dorset rams. Majority of the lambs are fresh in condition but just starting to dry in the tip as the feed goes off. The lambs have done very well for their age. Late drop lambs that give the successful buyer plenty of time to get weight in and target winter markets. The odd lamb is starting to get weepy eyes as the feed dry's off and the dust gets worse.
