Assessor Comments	800 1st X Dorset/Merino mixed sex suckers, assessed as a line of 1600 (sold as a run at the gate). Neat store lambs, sired by high indexing Derrynock Dorset rams. These lambs given the opportunity will quickly grow into ideal trade lambs. They will still have fly protection on the breech from a Klik and have not had a check since the day they lambed, putting on over 200g/day since weaning. Ideal to put onto feed buyers can buy with confidence.
