Assessor Comments 415 - A nice line of Staverly Park sired merino lambs out of a Staverly, Srathcona & Glenpaen Blood merino ewe flock that are fresh and weigh 27.5kg @ assessment with a 10% tail removed. These lambs are m & ts, drenched & vaccinated for OJD. The lambs are renowned good doing sheep and will grown into medium frame, medium wool bale fillers given the opportunity or a nice trade lamb for the autumn/winter trade. Dual purpose proposition.
