Assessor Comments	Mount Elliot Pastoral are offering 435 July & August drop White Suffolk cross lambs. Traditionally Mount Elliot Pastoral would grow these lambs out to top weighted trade lambs however due to seasonal conditions they have decided to sell. These lambs are in excellent condition and once weaned they should excel on good feed. These lambs are bred out of big frame Gelton Merino ewes with White Suffolk sires chosen on eye muscle and hindquarter shape. On the 15th on September all lambs were treated with Clik Extra applied to their breach, drenched with Triguard & given a 5in1. The tops of these lambs have been sold straight to the abattoir and yielded exceptionally well. Fresh young lambs with good skins and plenty of shape, 100% of this mob was weighed into a 30-44kg weight range at assessment.
