Quality Grades		Wrinkle Score	
Very Good	100%	Plain	100%

Assessor Comments	A group of Border Leicester x Merino Wether lambs that are in strong forward condition. Medium frame for age with ample bone and stretch to be able to mature into a heavy weight carcass. The Clover Ridge lambs are highly regarded for performance and are impeccably bred. The Vendor has a reputation of purchasing high grade performance Border Leicester Sires that will complement a Maternal Ewe Lamb production program while still respecting the carcass merit of the male portion of the drop.
