Assessor Comments	Very good line making a BDouble vendor bred store lambs. If you want lambs to grow into export weights these lambs will do just that. Out of large framed Mallee Bld Merino. Ewes Weaned and treatments current. Completed drop less tail the kill weight lambs are still in. Vendor will crutch all the lambs before delivery making it perfect for buyer. Please note 2 PIC numbers used are some came from another property owned by the vendor but have been running together since weaning. Tips look dry in photos but sheep are fresh underneath and handled nicely when fat scoring. Well regarded lambs these lambs previously marketed under Redbanks KI for many many years.
