Assessor Comments	Lamb finishers, here is a great opportunity to secure a line of quality 2nd cross store lambs, mid May to end of June 2024 drop. Lambs are still quite fresh, with only a few lambs starting to dry off. Lambs have been weaned and crutched. Note the odd lamb that has not been crutched. This is the majority of the vendor's drop of lambs with a top and tail removed. A quality line of lambs to finish for the trade or export markets. Noted the odd lamb with black spots on face/legs, and some lambs with red tags (vendor ran out of black tags).
