Vendor Comments	Annual sale of our terminal sired lambs which have performed well grazing in our hill country.			
Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.			
Assessor Comments	Very well bred line of weaned fresh late May/June drop lambs. They present evenly as a group and in fresh healthy condition. Lambs are bred from genuine medium to larger framed ewes and represent the middle run with the lead also on offer in this sale. These lambs represent an annual sale for the kullingrah operation with lambs proven performers amongst previous purchasers in all markets. They will continue to perform if shown the correct management and ideal to background further to shear and finish for trade or export markets. 880 in this weight range of 23-35kg with all lambs weighed at assessment Lambs will be delivered of even quality if required at assessment. Large tail retained on farm at assessment.
