| Any Access To Rams or Stags?          | To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.                                                                                                                                                                                                                                                                                               |            |        |             |
| Assessor Comments                     | Quality line of 2nd x lambs weaned ready to hit feed and explode. These lambs are usually retained and grown out to trade and export weights. Vendor is only selling due to a failed spring. They are bred out of medium to large frame 1st X BL/MO & Primline ewes by Quality Kurralea & Sprinwaters Blood rams. Have gone ahead since weaning. All lambs Individually weighed 32kg plus    |            |        |             |
