Assessor Comments	A great opportunity to buy 100 x Jul/ Aug 24 Drop Merino Wether Lambs. Sired by selected Alfoxton blood rams out of Otterbourne and Glenwood blood ewes. The lambs present a fantastic opportunity for buyers to purchase weaned lambs with a great start in an unshorn skin. A tail was removed at assessment. Lambs suitable to retain as wool producers or alternatively suitable to grow out for the trade if given the opportunity. Lambs carry a clean bill of health and are specially bred to produce high yielding fine wool on a fast growing frame. Otterbourne is 20km from SELX, Yass with trucks leaving for all major destinations weekly.
