Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.
Assessor Comments	Very good to good quality cross bred lambs. Lambs are out of medium to large frame ewes by Rowallen Poll Dorset sires. Lambs show great shape and good length of body. Lambs were weaned two weeks ago and are on lick feeders containing barley. All lambs individually weighed 36142kg at assessment. If given the opportunity, lambs will reach export weights. Vendor has previously had positive feedback on lambs performance in a feedlot.
