Assessor Comments	Offering a Bdouble load of store lambs that are perfectly positioned for quick weight gains going forward. All lambs are fresh, well weaned and run extremely well at assessment. Please note this 760 are the lead of 1800 lambs. All lambs trained onto Barley which will help feedlot entry enormously. The Stevens Family purchased these Yanco blood mothers 2 years ago ex an dispersal and have been purchasing top grade Poll Dorset rams off Lambpro ever since. These lambs really do show the results of that strong genetic background.
