| Assessor Comments            | Quality weaned terminal XB Composite lambs. Individually weighed 33-42 Kgs. Would suit light trade buyer or feedlotter to take further. Lambs have ideal shape to suit all markets. Note no Suffolk lambs in this draft.                                                                                                                                                                     |      |               |      |                 |      |
