Assessor Comments	Keogh Agriculture offer a very even BDouble of high performance 2nd X lambs July/August drop. Lambs from this program are keenly sort after for the supermarket trade & at times are grown out to export weights. These lambs are still fresh & sappy. They are on the do & are ready to keep progressing offering a quick trade for the successful purchaser if the kept on the same trajectory. Vendor individually weighed all lambs out from 34Kg plus. These lambs show great shape & thickness. All lambs were grain imprinted prior to weaning. Vendor is offering another BDouble load of very similar lambs from on a nearby property in the same sale. Great opportunity to put together almost 1400 very even lambs. Highly recommended.
