Assessor Comments	What an opportunity here, This is the first time ever that the vendor is offering their entire drop of Ewe lambs for sale as Lambs. These Ewes would normally be retained till they are Hoggets and sold a line as 1.5 yr olds. The season has called the shots this year so their on the market. What an opportunity to secure some of the better bred sheep out of the district. These Lambs are a reluctant sale so purchasers gain. Please note the Wether portion are in this same sale.
