	2 Head Long tail ewe lmbs		
Assessor Comments	Excellent line of fresh Poll Dorset X Merino Lmbs still on mum to keep them moving ahead. Lmbs show good structure and will have the ability to grow into solid export lmbs given the correct feed. With no grain on hand for a correct weaning lambs have stayed on mum until trucking. They are late drop lambs and lambd over a tight 5 week period. Complete drop less a solid tail of lighter lambs.
