Assessor Comments	300 young Dohne and Dohne X mixed sex lambs. Bred by Calga Dohne rams from large framed Dohne and Merino ewes. Shorn-Weaned-Vaccinated ideal lambs to turn out and grow on for the heavy market, these lambs have done well for previous purchasers and the Clarkes themselves when they have fed them on. Freight can be arranged to meet trucks at Jamestown at purchasers cost. There is approx 5% of the mob had weepy eyes from dust. A % of lambs have Blue EID tags due to running short at marking.
