Assessor Comments	A very nice line of Poll Merino ewe lambs. These young ewes are bred from an exceptional line of breeding ewes and would be ideal to take on as future breeders OR they have plenty of weight and would make ideal feeder lambs. The Hilders have been breeding large frame Poll Merino ewes for many generations and these lambs are no exception, breed them or feed them they will be excellent large frame heavy lambs or breeders. Freight can be arranged at purchasers expense to meet trucks at Jamestown.
