|-------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Assessor Comments | A good run of quality Poll Merino Wether lambs. These lambs have been drafted with a large tail removed. Out of large frame ewes by Poll Merino rams these lambs should grow out to be multi purpose, growing a bright staple of wool or long bodied lamb carcase. These lambs will give you a quick return as they are carrying a good skin that needs shearing |
