Assessor Comments	Excellent draft of 2nd cross lambs july/august drop.Lambs have been weaned for 14 days at assessment and have continued to move forward in that process . Lambs would normally be kept and grown to heavy trade and export but due to seasonal conditions they are being offered for sale , there is a total of 1000 lambs in draft to be offered in two lots 500 as a run out the gate . Lambs come highly recommended and will perform given the right opportunity.
