| Any Access To Rams or Stags? | To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |            |                                     |
| Assessor Comments            | Offering four lots of weaned and trained to grain XB suckers off Bongongo in this sale with this lot representing the tops of the drop by the Double Barrel Composite and Killandayle Poll dorset sires out of large framed plain bodied Blythe blood mature merino ewes and bred to perform. Weaned for four weeks these lambs are running on fresh clover/ryegrass pastures with access to barley feeders. Lambs that carry an excellent history of being proven performers and given the proper opportunity will exit as heavy kill lambs. Note tail removed at assessment and a small percentage showing light horn. Vendor also offering another line of PD/Merino x lambs and a line of merino wether lambs off their Tarcutta property. |            |                                     |
