Assessor Comments	Great line of crossbred lambs which have been bred out of large frame Merino Ewes and by high index Wunnamurra Poll Dorset Rams. These lambs have frame and are in forward condition as fat scores indicate . They are ideal lambs to feedlot or put on quality feed to fatten quickly .These are the top which are offered as 'a run out the gate' of 2 lots of 510 and 250. There was 3 lambs removed from the mob with with scabby mouth , no others observed but be aware. There is the 2nd draft of 250 in todays sale.
