| Vendor Comments | Unshorn wether lambs. VA Flock average 19to 19.5 micron . Last year lambs cut 17.2 micron |
| Assessor Comments | Offering the entire drop of the Wiseman 2024 Wether lambs with a small tail removed. These merino lambs are June/July 2024 drop, light mlsd and unshorn. Great lambs to shear and feed on stubbles through the summer. Vendor generally shears lambs and sells in the autumn, but due to the tight seasonal conditions has decided to sell now. |
