Assessor Comments	Buyers annual turn off of well sought after wether lambs. Exceptional quality lambs present in forward condition coming straight off big framed white dorper ewes. Mid August, Sept drop at 37kgs at assessment lambs have phenominal weight for age. Buyers note 5 lambs were marked late 2 weeks prior to assesement. To be sold as 3 lots run out the gate of a paddock filling 2300x lambs, buyers a great oppotunity to put together one line of performing lambs ahead of a weekly rising lamb market.
