Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.		
Assessor Comments	Very well bred line of weaned June/July drop lambs. They present evenly as a group and in fresh healthy condition. Lambs are bred from genuine medium to larger framed ewes and represent a lead run with a lighter group also on offer. These lambs represent an annual sale for the Kullingrah operation with lambs proven performers amongst previous purchasers in all markets. They will continue to perform if shown the correct management and ideal to background further to shear and finish for trade or export markets. Lighter group also on offer in the same sale.
