Assessor Comments	Top of the drop terminal sired lambs off of East Hill. These lambs are only young but are growing well in a challenging year, they are sired by high indexed Suffolk rams sourced from Banquet out of a Wairere blood ewe flock. They have been weaned and had all animal health treatments. These lambs have been running on lucerne pasture paddocks on volcanic soil. These lambs are normally retained and finished into trade or export lambs but due to a higher lambing percentage we are selling the tops out now. Please note vendor has another lot in todays sale comprising of 352 head which have been running on lucerne. Total head offered is 595.
