Assessor Comments	Outstanding quality line of NSM maiden FX ewes, presenting in prime condition, & possessing the optimum weight, fat score & maturity to ensure the best possibility for a successful joining. These Sept/Oct '23 Drop ewes have been sired by top quality LYNWOOD Border Leicester rams, with the vendor often purchasing the top priced rams from the drop each year, & are out of large framed, classed WYUNA bld Merino ewes, bred by the vendor, who has been on the same bloodline for many years. These stylish ewes are true to type, & boast impressive body length & depth combined with excellent carcass shape. They are certainly showcasing the structure & evenness that comes with years of breeding refinement. These ewes are in ideal shape for an immediate joining & possess the breeding quality & attributes required to produce export weight potential 2nd cross lambs, with the real possibility of recouping your outlay with the first drop of lambs. Top quality maiden ewes, set for a lifetime of production
