| Assessor Comments        | A well bred line of Hazeldean/Inglewood blood 1yr old wethers, offered in 2 x 390 lots. These guys have endured a really tough winter with no supplementary feeding. Rams selected are high indexing wool cutters. Small to medium frame wethers ideal as future wool cutters or to fatten for the hook given the feed. Mulesed and Gudair vaccinated. A very small tail removed.            |            |           |
