There are a total of 660 of these three year old (yellow tag) ewes, offered as two lots of 330 run out the gate. They are of very good quality and present in ideal condition to join. These ewes were purchased ex LambPro stud & Rollsville Partnership and represent a rare opportunity to purchase proven breeders in the prime of their lives. They have produced excellent quality lambs in the past and would stand up in an established Primeline flock or be a great opportunity for someone looking to start breeding.
