Assessor Comments	**Annual sale of 5.5 Year Old Ewes** **Outstanding Ewes** These 130 Ewes would be the Pride of any flock, its hard to go past these 5 1/2 Yr Old merino ewes, with 70 years of top Merryville genetics behind them & more recently the last 12-13 years the McGinnisken family have paid up to \$8500 at Roseville Park. Great bodied, strong robust ewes cutting 6.5kgs and only testing 18 mircon, these ewes come with my highest recommendation. These ewes have been Gudair vaccinated, drenched with Q-Drench on 6/11, mouthed, titted and feet have been gone over with a fine tooth comb so you can buy with confidence you will get another 2 good years out of these proven ewes. Outstanding ewes with plenty of lambs left in them yet. These Ewes are not culls this is an annual sale of these ewes. A fantastic opportunity to buy genuine well bred sheep.
