| Assessor Comments            | Outstanding line of 4.5 year old merino ewes that are in terrific condition considering they have only had July/August lambs taken off them 2 weeks ago. They are large framed plain bodied ewes that are magnificent prime lamb mothers rearing 140% of lambs this year and would be suitable to be joined to a merino if required.                                                         |
