Assessor Comments	Offering an excellent line of 500 (2x250 run out the gate) Independently Commercially "Classed In", White Dorper Ewe lambs with outstanding genetics. Kallara has been purchasing rams from "Burrawang" for many years and recently "Deepdale" focusing on structure, bone, early maturity and muscle to produce easy care, productive sheep using internationally renowned Dorper classer Wisus Conje to independently class their flock. These ewes are very true to type having muscle/meat where it counts with Kallara constantly achieving meat yields of 50-54%. Ewes present in forward store condition averaging 46kgs at assessment and are primed to meet the ram of your choice .With 20 plus years of breeding, Kallara have invested heavily in top end genetics making these ewes ideal for any producer looking to move into shedding breeds or add to their flock. Please note these ewes are ACO Organic and GAP certified allowing successful purchaser to keep them in this programme .Odd ewe has a tail.
