Assessor Comments	Genuine mixed age Merino Ewes and lambs in their prime, all the hard work has been done. Excellent cash flow opportunity or would also be a great addition to existing flock. Ewes doing a great job on the lambs and carrying a May skin. The Belvedere Merino flock has been classed annually with an emphasis on selection for low maintenance sheep that cut a fleece of free growing bold crimping wool. All sheep will be treated with Extinosad between assessment and delivery (No Withholding and nil ESI). Three ewes are later shearing. Vendor has other lots of ewes in same sale as part of flock dispersal.
