Vendor Comments	Only selling due to dry season		
Assessor Comments	320 Sep/Oct 2022 drop, Merino Wethers that are great wool growers and always cut a great fleece of wool and that are well bred sired by the Glenpaen and Wurrook rams. The vendor is only selling due to the dry conditions and fires at the start of the year has seen no feed left and forcing this sale of these wethers. They are in forward store condition and would go well on stubbles to shear later on. Don't miss a great opportunity to secure a great line up of Merino wethers.
